A Joyful and Blessed Easter to All

The above greeting is not a mistake. It was on last week's bulletin and also on for this week. The Church celebrates Easter for 50 days but it celebrates the Octave, the first eight days, as if it is Easter Day. So today is the eighth and last day of the Octave.

On this Easter Day we hear of how the Early Church lived. This is an ideal image. It didn't mean that there were not divisions among them. There were just like communities, families, and parishes today; they had to find ways to work through their differences and problems. What drew them together though is what draws us together today. It was the Eucharist. Twice in today's First Reading from the Acts of the Apostles it talks about how the Early Believers dedicated themselves to the 'Breaking of Bread'. Our reading begins, *"They devoted themselves to the teaching of the apostles and to the communal life, to the breaking of bread and to the prayers."* and later we read, *"Every day they devoted themselves to meeting together in the temple area and to breaking bread in their homes."* This is more than just sharing food with each other. Last Thursday on Holy Thursday we remembered how Jesus took bread and broke it. Also, how He also took the cup and passed it to his disciples. He told them to continue to do this in memory of Him. The Church continued to do this in memory of Him and we hear how central this was to the life of the Early Believers.

It is the Eucharist that unites us and helps us to overcome our differences. It is important that we continue to make this an important part of what we do as individuals and community. We see the witness in today's First Reading of just how important it was to the First Generation Believers.

In the Gospel we hear the very familiar story of Jesus' first appearance to His disciples on the night of the Resurrection. How Thomas was not there and how he refused to believe until he could see and touch Jesus himself. The next week we hear how Thomas was there and Jesus appeared again to the disciples. Jesus speaks directly to Thomas and tells Thomas to do what he desired, *"Put your finger here and see my hands, and bring your hand and put it into my side, and do not be unbelieving, but believe."* We are never told whether Thomas actually does this but he does make the profession, *"My Lord and My God!"*

As we come together today we see, touch and taste the Lord in the Eucharist. We don't see the Lord as Thomas and the other apostles did but the Lord is no less present to us as He was to them. Let us pray that our reception of the Eucharist today strengthen our faith and our profession as it did Thomas's faith and his profession of the Lord. Let us also pray that as we celebrate the Eucharist which unites us that it will heal any divisions that we have in our families, communities and our parish.

Discussions with the Pastor: You are invited to come and visit with an idea, concern, question, or if you would just like to talk. Feel free to come alone or with others. This week I will be available in the Multipurpose Room/Library just off the Narthex of the Church on Wednesday, April 26th from 6:00 to 7:00 pm and Thursday, April 27th from 4:00 to 5:00 pm

On the Cover

Today's reading from the Acts of the Apostles reminds us to be generous with our time, talent and treasure. At all the masses on May 20 and 21, we will have an opportunity to prayerfully discern how we might share our time, talent and treasure here at St. Pius X. Different ministries will be featured in the bulletin each week until then.

The cover this weekend features just some of the many opportunities

available in the area of Parish Life & Organizations. Please take some time to consult the website or your parish directory to learn more about all the activities, organizations and ministries here at St. Pius X, this place we call home!

Sharing our time, talent and treasure is just one way we can thank God for all of His blessings.

Pew Polishers Wanted

Every spring, we polish the church pews to keep them looking nice. If you can help for 30 minutes or an hour on Saturday, May 6, between 9:00 am and

3:30 pm, call Rita Bianchi at 402 556 1201 or send us an email at dustingdisciples@stpiusxomaha.org. Thanks!

Update on Bottle Club Opening

Many of us signed a petition a few weekends ago expressing our strong opposition to a Member Club opening at 73rd and Farnam.

16 pages of our signatures were delivered to Mayor Stothert and to Councilmen Jerram and Festersen. We understand from city officials that under current law, their hands were tied, and that they could not prevent the club from opening.

Senator Tyson Larson, Chairman of the General Affairs Committee of the Nebraska Unicameral has introduced LB

632. The bill has a provision that would require state licensing of private bottle clubs. A copy of our signed petition has been sent to Senator Larson.

We encourage parishioners who oppose this kind of club to contact Senator Larson, Phone: (402) 471-2801, Email: tlarson@leg.ne.gov. Please thank him for introducing LB 632 and urge him to advance a version of the bill that will address our concerns and prohibit nude dancing at member clubs.

Joyce Gubbels, Principal

Are you thinking of sending your 3 or 4-year old child to school this Fall? If you are, we would like you to consider our 3 and 4 year old pre-kindergarten program at St. Pius X / St. Leo School. Our 3-year old program, for those who are 3 years old by July 31st, is held on Tuesday and Thursday morning from 8:15 until 11:15 am.

Our pre-kindergarten program for 4-year olds by July 31st is a full-day program. You are allowed to choose parts of the full-day program if this entire program will not work for you. You may choose a 3 morning 4-year old program on Monday, Wednesday and Friday mornings from 8:15 until 11:15 am; a Monday through Friday afternoon academic time from 11:25 until 3:25 pm each day, or the child can stay the rest of the day for academic

review of their time with the certified teachers. During the extended time the teacher assistants will be having activities reviewing concepts taught by the certified teachers. There will also be time for lunch, recess, Spanish, art and music activities, and story time. The afternoon students will begin their extended time in the morning before their academic afternoons.

If you are interested in one of our pre-kindergarten programs, please call us at 402-551-6667 and plan to come and visit. We'd love to show you our school and visit with you about our wonderful school community! Please come to visit St. Pius X / St. Leo School!

Pew Partners

Every year, the Holy Spirit uses the Easter liturgies to light a fire in people who suddenly (or finally) answer the call to become Catholic. And every year, I welcome them warmly then throw unholy water on the fire when I say I'll contact them in September when RCIA starts...

My apologies to everyone whose fire I squelched with my soggy welcome. The Holy Spirit moved them to action, invited them to overcome

fear, temptation and excuses only to hit a bureaucratic roadblock.

St. Pius X has a reputation for being welcoming. If you have experienced welcome here, or if you feel that St.

Pius X really is *A Place to Call Home*, help others share your experience.

I'd like to connect inquirers who are not Catholic, and who want to learn about our faith with someone who understands what's going on in the mass or who can at least help someone follow along in the missal!

Please let me know if you're willing to share your pew and sit, stand, kneel, sing and worship with someone who's exploring our faith before the fire goes out. Colleen 402-558-1898.

Food Donations: The sheets are out for food donations for our festival. Please stop, look over everything and sign up for what you would like to donate. We also urge you to check out the St. Pius X website. Just go to stpiusxomaha.org and click on the "Festival" logo. You will find sign-up sheets for all donations and volunteer sheets for helping in the activities during the festival. You can also read about all the events that are planned. Donations can be brought to the church on any week-end, but please make them for "Festival". Thank you for helping.

Silent Auction: The committee has designed a "Wish" board for items that could be donated for the silent auction. Please look it over and see if you, and/or a group of family/friends might be able to donate any of these items. Other items are also needed. We also urge you to purchase Care certificates. They make great additions to baskets and help our parish at the same time. All items are tax deductible. Please return your donation by May 20-21. For information call Sally, 402-551-6745. One more thing – Sally could use help in putting baskets together. Call

her if you're interested.

Craft Booth: Our craft booth always features great craft items made by our parishioners. Whatever your craft is, if you make it, we will sell it. We have more space this year so we can use more items. Also – don't forget the used/vintage jewelry table. Contact Colleen Morrissey, cdmomaha@gmail.com, 402-554-1768.

For all festival activities see the website, stpiusxomaha.org and click on the "Festival" logo.
