Happy Birthday

Today on Pentecost we celebrate the birth of the Church. After Jesus' Death, Resurrection and Ascension to the right hand of the Father, His work continued up to this day through his disciples. The first disciples and all of us are able to carry out this work because of the outpouring of the Holy Spirit. As St. Paul reminds us the Corinthians, *"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit."* Each of us has the Spirit working in us that enables us to carry on the work. This is the 'benefit' Paul speaks about. Our responsibility is to discern the gifts we have that are to be shared for the benefit of the Church and respond to the gift that we have been given by willingly sharing them.

Earlier today we had a staff meeting here at the Parish. As I looked around the table I couldn't help but think how grateful I am to have the staff we have here at St. Pius X. Each person is very competent in their position but more importantly each one brings something different to the whole staff. I know that I'm not always the most organized person and that many times I'm doing things at the last minute, like writing this on Tuesday night before it goes to the printer on Wednesday morning. There are a few others on the staff that are like me in this way but we also have some very organized people who keep the rest of us on task and are thinking a few moves ahead.

At the meeting we were discussing the annual Parish Directory. We were looking at possible covers for the directory. When it comes to design and art I just don't have an eye for that. I'm grateful for those on staff who do have this kind of gift. I often defer to them when it comes to making these kinds of decisions.

What we have going on this weekend here at the Parish with the Festival is another great example of many different people with their different gifts coming together to work for a common goal. The Parish Festival would not be possible without people sharing their many gifts.

As I mentioned above each of us has a responsibility to continue to discern our gifts and how we can best share those gifts with the broader community. This is not a static sort of exercise. We don't discern once, get involved and think that it is over. The Lord continues to reveal to us our gifts as we discern and challenges us to generosity in sharing these gifts.

I encourage all of us this week to ask the question, "In what way is God calling me to use my gifts in a new or different way with my brothers and sisters?" As we do this the work the Lord has entrusted to us continues. Let us celebrate the birth of the Church by giving the best gift of all, the gift of ourselves in service to the work of the Body of Christ, the Church.

Discussions with the Pastor: You are invited to come and visit with an idea, concern, question, or if you would just like to talk. Feel free to come alone or with others. This week I will be available in the Multipurpose Room/Library just off the Narthex of the Church on Tuesday, June 6th from 4:30 to 5:30 pm; Wednesday, June 7th from 6:00 to 7:00 pm and Saturday, June 10th from 3:00 to 4:00 pm.

St. Pius X/St. Leo School

Joyce Gubbels, Principal

As part of the 8th grade graduation we also announced several other happenings of the graduates. First of all, our congratulations go to four of our 8th grade students who were selected as Rotary Club Honor Roll Students. This award is given to students in the 8th grade for their outstanding achievements in leadership, presence, scholarship and character. Every year it is difficult to choose these students since we are limited in the number we can choose and we have many who qualify for this honor. This year's worthy recipients of the Downtown Rotary Honor Roll Award were: Sydnee Baysa, Kaleb Brink, Rylee Gregg, Eleanor Mangan, and Ethan Owens. These students were honored at a luncheon in May at the CenturyLink Center.

Secondly, we'd like to congratulate several students who received special scholarships to go onto Catholic high schools. A special Marian High School Scholarship, called the Thelma M. Landstrom Scholarship, was awarded earlier this year to McKenna Blaine. We'd also like to congratulate Alexis Perlman on being this year's recipient of the Catholic Daughters - Court Mary Immaculate #2182's Imelda Nolan Scholarship! Only one of these scholarships is awarded each year to an Omaha 8th grade girl who currently attends a Catholic grade school and who will be entering 9th grade in the fall in a Catholic High School. Finally, we have the St. John Paul II Scholarship sponsored by the Polish Heritage Society and given to Bella Goaley.

Special Note: The school office will be closed at different times during the summer. When our office is open, our office hours during the day will be 9:00 am until 4:00 pm with time off for lunch. It's always wise, during the summer to call ahead to make sure we are in the office at the particular time you'd like to come. Our school office number is 402-551-6667.

Interested in a Catholic education? Please call (402-551-6667) to take a tour of St. Pius X / St. Leo School, your parish school. We have a full-day program for pre-kindergarten 4-year old students. We also have a 3-year old pre-kindergarten program as well as all of the grades from kindergarten through grade 8.

Festival as a Pentecost Experience

How appropriate that the Parish Festival falls on Pentecost! This is the day that the Holy Spirit moves through the disciples of Jesus and invites them all to tell the Good News in their own words, in their own ways. Paul speaks of the different kinds of gifts, different forms of service and different workings, all pointed in the same direction.

This is us! Today, parishioners of

every kind gather together to celebrate our parish life. We are young and old,

single, married, divorced and widowed; we are traditional and progressive; we like masses that rock the rafters and masses with no music; we are cradle Catholics and converts, St. Pius X alums and newcomers.

We are members of the Body of Christ, gathering to celebrate our lovely and lively differences!

See you at the Festival!
