In the Gospel today a man with leprosy approaches Jesus and begs of Him, "If you wish, you can make me clean." Jesus heals this man of the leprosy. Jesus does more than just heal this man of a disease. As we see in the first reading, if someone has leprosy they are to live away from others. They are instructed: "The one who bears the sore of leprosy shall keep his garments rent and his head bare, and shall muffle his beard; he shall cry out, 'Unclean, unclean!' As long as the sore is on him he shall declare himself unclean, since he is in fact unclean. He shall dwell apart, making his abode outside the camp." With the healing Jesus also reestablishes this man with his family and his community. Jesus brings not only physical healing to him but brings wholeness to the man's life that was lost because of the disease.

The question for us is whether or not we want to be cleansed? Do we want to be made whole? If our desire is to be cleansed and to be made whole, the Lord as he did with the man with leprosy also desires it for us.

This week on Wednesday we begin Lent. Lent is a time when we are particularly invited to be cleansed and made whole. The Church reminds us of the three disciplines of the Lenten Season that can help us in this process. They are Prayer, Fasting and Alms Giving. We have 3 days to decide, if we have not already, what we will do in regards to these three disciplines to make this season special and one that enables us to come to the Lord at Easter with hearts and lives cleansed.

I encourage you to take time for extra prayer this Lenten Season. Perhaps add daily mass to your schedule. Here at St. Pius X we have mass at 7:00 am and 5:30 pm. Also, a daily rosary or daily spiritual reading will be a way to make this Lenten Season special by prayer.

We have the two mandatory days of fasting that are explained below but we are also encouraged to fast from something else during this Lenten Season. There is a great tradition of 'giving something up' for Lent. Make it something that will be challenging. In this way when you are missing the thing you gave up it you can be reminded of the only one who can truly fill our emptiness and need, God.

For Alms Giving we may not always have the financial resources to be as generous as we would desire to be to those in need but we can always be generous with our words and thoughts towards others. We can be generous in offering forgiveness to those who may have hurt us in the past.

If we practice the disciplines of this Lent we will come to Easter with hearts and lives made clean by our actions and the Lord's grace.

**Lenten Rules for Fasting and Abstaining from meat:** The following guidelines were taken from the website for the United States Conference of Catholic Bishops, www.usccb.org:

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence for Catholics. In addition, Fridays during Lent are obligatory days of abstinence.

For members of the Latin Catholic Church, the norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards.

**Discussions with the Pastor:** You are invited to come and visit with an idea, concern, question, or if you would just like to talk. Feel free to come alone or with others. This week I will be available in the Multipurpose Room/Library just off the Narthex of the Church on Thursday, February 15th, 4:30 to 5:30 pm & Saturday, February 17th, 10:00 to 11:00 am.

# On the Cover

Ash Wednesday is always a reminder that we are entering a particular spiritual journey, and a cross of ashes on our

foreheads can seem like a dark reminder of sin and death. However. Jesus reminds us that none of our penitential practices call us to be gloomy. Rather, in our penitence, we are called to turn our lives around. If we practice giving alms, but seem to do so only to bring attention to ourselves, then our giving has little meaning. If we practice changing our lives, and do so with joy, then that practice will lead to more joy.

The entire season of Lent is marked by prayer, fasting, and almsgiving, all of which improve our religious grounding. Each of these Lenten disciplines is addressed by Jesus in the gospel on Ash it is not to win the praise of others." Wednesday, but each is also a call for us to be well-rounded Christians.

Prayer, the first of these, is about our relationship with God. Throughout the Lenten season, we can improve our prayer life: take time for daily prayer and shutting out distraction; take note of how the Eucharist and communal prayer draw everyone into the sacramental life of the Church; find a rhythm of prayer, which can bring God deeper into the rhythm of your life. "When you pray, do not be like the

hypocrites."

The second Lenten discipline, that of fasting, allows our bodies to be healthier, and our minds less cluttered with distractions. Lent is the time to **Dr. Anne McGuire** improve our relationship with ourselves—in body, mind, and spirit. Lent invites us to declutter our lives and strengthen our resolve to be healthier, more mentally aware, and more focused on spiritual matters. "When you fast...do not appear to be fasting."

> The discipline of almsgiving is often overlooked by those who tithe regularly, as an unnecessary reminder. Giving alms, however, is an intentional outreach to others in need, and a giving from one's abundance, whether money, service, or time. It is a practice to improve our relationship with the world. How intentional can we be this Lenten season? "When you give alms,

Have a blessed Lent.

**Liturgical Ministers** are needed for Holy Week. Lectors, sacristans, EMHCs, servers, hospitality ministers, and ushers are all needed for Holy Thursday (March 29, 7:00 pm), Good Friday (March 30, 7:00 pm), and the Easter Vigil (March 31, 8:30pm). Anne McGuire will be scheduling them from available ministers. Please let Anne know as soon as possible: 402-558-1847 or annem@stpiusxomaha.org.

# St. Pius X/St. Leo School Cory Sepich, Principal

Hello from St. Pius X / St. Leo School, Blessings to you all and I pray you have had a great week! We had

another week of faith-filled learning at our school. On Tuesday, we were so excited to have our first Science Fair and Rube Goldberg Night. I was so impressed by our student's hard work at school and also at home to prepare for this very fun night of science experiments and demonstrations.

After school, the halls and classrooms were filled with students building their own Rube Goldberg machines and other science experiments. Rube Goldberg machines are contraptions that are very complex and made up of many devices. Each of these devices link together to form a more complex machine that helps activate another machine or device in sequence. It was so tremendous to see all of our student's creativity on display as they created these highly elaborate contraptions that reminded me of when would be VERY blessed to have your I was a student, playing the game Mouse Trap.

We are also happy to share that on Saturday, February 3, we had 12 students represent St. Pius X / St. Leo school at the 2018 Marian High School

Math Contest. There were 99 students from 10 Catholic schools and our 12 students did an amazing job. In 6th grade, we had Madeline Hartley, Delaney O'Doherty, Brooklyn Sauer and Guilianna Weber compete. In 7th grade student led tours and can even set up we had Katie Coppard, Erin Lemar, Maggie Morris and Sophia Tripp representing our school. Additionally, in 8th grade, we were represented by Elleiana Green, Meg Raabe, Gig Salerno and Abby Wessling. Our 8th grade team placed 2nd in the Math Contest and individually, Erin Lemar placed 9th, Meg Raabe placed 6th and Abby Wessling placed 3rd. Way to go Panthers!

We are excited to say that we are having lots of families interested in joining our school community and had great attendance at the Pre-Kindergarten and Kindergarten Round-Ups the past few weeks. If you are interested in joining our school, we family here at St. Pius X / St. Leo.

Please know that you can still register your student for the 2018-19 school year! I know that our staff would also love to give you a tour to show you all of the hands-on learning

that is taking place at our school and how we can help your student grow academically and spiritually. We would love to show you and any of your friends our wonderful school with days where students can shadow for a day to experience a day-in-the-life of a St. Pius X / St. Leo student. If interested, just call the school office at 402-551-6667 and either myself or Mrs. Graney can help you.

God bless you all and we pray you all have a wonderful week. God is definitely good; all the time.

### Staying Between the Lines

A thoughtful student at Prep left this note on my windshield. I know that when I park in an empty lot, I can often take up two or even 3 spaces. I get out and see that I'm on all of the lines, get back in the car, and try to straighten out – sometimes even successfully. Give me too much room and I'll park badly. However, I easily park straight between 2 cars. Having visual guideposts helps me stay between the lines.

Likewise, a sea of empty space or time can leave us feeling untethered physically, emotionally or spiritually.

Having a buddy helps us stay on track with exercise (Fit Bit Buddy anyone?), resolutions, and even coming to Mass. Knowing that someone else is pulling

for us and expecting us to do our best helps to keep us between the lines.

Dο someone a favor this week and invite them to join you at mass.

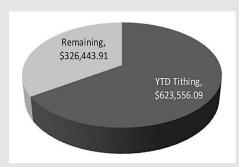

Send a postcard, make a phone call, or as a last resort, put a handwritten note on their windshield. It will get their attention!
