

St. Pius X Religious Education 2026-2027

Religious Education is a lifelong, holistic, developmental process that happens primarily in the home and is supported by the Wednesday evening Religious Education Program at St. Pius X Parish.

The program uses a mix of monthly in-person, home, and small group sessions for children and adults.

Once monthly in-person sessions: Once each month, children meet in a classroom by grade-level with a catechist. Parents meet in the school for an adult formation presentation by lay parishioners or videos on the month's topic. A second time each month, families can gather at the parish to do a "home" session together as a way to encourage and support each other while learning together.

Family sessions at home: The other weeks of each month, families with children in Levels 1-6 use the Family Faith Formation packets (handed out each month at the group session) or sacramental preparation materials (for Level 2). The Church recognizes that parents are the first and most important teachers of their children in the practice of the faith. The parish community offers parents support them to help them fulfill their responsibility in handing on the faith.

Confirmation preparation: Youth who are preparing for the sacrament of Confirmation meet with a catechist by grade level twice each month. During Lent, they will focus on some kind of group project for the parish or community. The youth use Decision Point materials from Dynamic Catholic.

Opportunities for discipleship service and support: Service is a hallmark of Catholic identity. Religious Education families are encouraged to practice works of mercy throughout the year, in the parish or wider community. Families can work together to perform the works of mercy or they can share ideas and encouragement to help keep the home sessions on track in spite of busy schedules.

August 26, 2026 is the RE kickoff dinner in the School Cafeteria. (Doors open at 6 PM)
