Quarterly Financial Update: July–September 2026

Thank you for your continued generosity and faith-filled support of St. Pius X. Your gifts sustain our ministries, support St. Pius X / St. Leo School, and help care for our parish facilities.
During the first quarter of our fiscal year, expenses exceeded total income by approximately $38,400. Although this was better than budgeted, Sunday collections were approximately $14,800 below budget, highlighting the importance of consistent giving.
Looking ahead, the Finance Council is focusing on identifying and planning for future repairs and maintenance. The parish has diligently built approximately $205,000 in general savings, providing a foundation for addressing future needs. Continued giving helps us meet day-to-day expenses while preserving savings for those needs.
As year-end approaches, please consider an additional gift to St. Pius X. Parishioners age 70½ or older may be eligible to make a Qualified Charitable Distribution (QCD) directly from an IRA to the parish. A qualifying gift can count toward required minimum distributions and be excluded from taxable income.
Please contact the parish office for giving information and your tax advisor about potential tax benefits. Thank you for your continued commitment to our parish community! Quarterly report can be found at the end of this enews.
